FIFTY YEARS AGO I HAD A DREAM - TO DESIGN AND BUILD SPORTS CARS.

TODAY, I AM PROUD TO PRESENT TO YOU THE 2008 BOLWELL NAGARI.

IT IS THE CULMINATION OF MANY YEARS OF TAKING CONCEPTS AND IDEAS AND MAKING THEM INTO REAL, TANGIBLE PRODUCTS. FROM BUILDING MY VERY FIRST SPORTS CAR AT THE AGE OF SIXTEEN, THROUGH THE PRODUCTION OF OVER 800 CARS IN THE 60'S AND 70'S, OUR EVOLUTION SAW US BECOME ONE OF AUSTRALIA'S LEADING MANUFACTURERS OF COMPOSITE FIBRE TECHNOLOGY, SUPPLYING SOME OF THE BIGGEST NAMES IN INDUSTRY.

CREATION OF THE 2008 BOLWELL NAGARI BRINGS TOGETHER THE TALENTS OF OUR MANAGERS, DESIGNERS, ENGINEERS AND CRAFTSMEN, WHOSE COMBINED EFFORT SUCCESSFULLY TRANSFORMED ONE MAN'S DREAM INTO AN EXCITING REALITY. IT IS A FITTING TRIBUTE TO THEIR UNWAVERING DEDICATION TO THE PROJECT, ACHIEVING WELL BEYOND WHAT MANY THOUGHT POSSIBLE.

BOLWELL'S SERVICE TO ITS CLIENTS IS NO DIFFERENT. IT'S PART OF OUR DNA. EVERY PRODUCT WE MANUFACTURE CARRIES WITH IT THE HISTORY, DEDICATION AND EXPERIENCE OF THESE SAME PEOPLE. HOW ELSE COULD WE HAVE SURVIVED AND FLOURISHED FOR SO LONG? IN A CONSTANTLY CHANGING AND OFTEN STORMY ENVIRONMENT THESE QUALITIES HAVE FORMED THE BEDROCK OF OUR SUCCESS.

NOW, FIFTY YEARS ON, MY DREAM IS REALITY AND TODAY I'M PROUD TO BE SHARING IT WITH YOU.
